Dad,  
Last year I  
Football hasn't been  
treating you to good  
but stick it out and at least  
try your best and you'll have more  
you can say you tried hard.  
It will -  
maybe you'll have fun  
basketball.  
all year and  
Your friend  
Doug

Just not  
like I told you last year.  
I think you will do well. Let Mr.  
LongBall tell them what we  
had. You have been working harder  
than ever and we should  
see more good work this year.  
I lot you say will reward  
other people but your family  
of course, your family

Brad,

Hi! How goes it? It's hard to believe we're finally Seniors after wishing we were since we were only five years old. Well all have to get together sometime & really live it up! Good luck in all the sports that you're in! Aren't you glad we don't have Spanish anymore & we don't have to listen to all of Benson's comments? Well good luck in everything you do in the years to come. God Bless!

!!  
:-)

Mindy

Bread! It's time to go back to what I  
believe we're finally learning  
and this is our last year.  
It's hard to believe it's been a  
throughout this year.  
This school year will be the first if  
we;ll have a great deal more  
IP and it will be a small  
if the rest! That's a great  
bus and new and  
in working you do;  
Kudos to all students  
and teachers. I know you'll succeed  
friends and family  
"88" day
